Subject: Enlist your help?

Hi John,

I have secretly been working on a gift Piper will receive at her high school graduation. Since her first year of preschool, I have been collecting notes, words of wisdom, and/or well wishes from each of her teachers in a copy of the Dr. Seuss book, "Oh, The Places You Will Go". While I am not able to pass around the book this year, I wonder if you would still be willing to help with this gift. You are so important to Piper and I know she would very much like to read a note from you. Would you be willing to send me a handwritten note (or a typed note works too) so I can add them to her book? If not, I completely understand. You have gone so far above and beyond this year I know adding another thing to your list is a lot to ask. 😊

Thank you so much for all you do and for your consideration!

Best,
Nina
