Hello Faculty,

As we all know, Adrienne Behrmann is an icon who can never be truly replaced. She is a mentor, a friend, a legend, and most importantly for this email, our social coordinator. It became clear to us this summer that someone needed to continue her legacy of planning events for us. It also became clear that no one person is capable of replacing her. Therefore, we formed a committee to continue social coordinating. We have heard that an anonymous member of SLT has dubbed us the 'get shitty committee' but we feel our name needs to not only reflect EPS' love of acronyms and words that only appear in a dictionary or dissertation, but also honor Adrienne herself. Therefore, we have named ourselves the AB triple P, short for the Adrienne Behrmann Peripatetic Party Planners.

Now, for the real purpose of this email. Our first event will be held this **Friday, September 23<sup>rd</sup>** after school. We can use a nice libation after two straight five day weeks and two back to school nights and therefore, we will be at the **Roanoke Bar** in Seattle (not the Roanoke Tavern on Mercer Island) after school. We invite all of you to join us. [Directions](#)

Be on the lookout for more social events as the year progresses.

Hello all,

First off, thank you all for your response to our committee and to those of you who braved the brutal traffic to get to our first social event.

Second, we have two events coming up in the next two weeks to share with all of you.

Next week, on Thursday the 6th, all are invited to Bale Breaker Brewery in Ballard at 6PM. This committee would like to recognize Burton Barrager and Kip Wassink for organizing this event and then allowing us to both send the invite and claim it for PDP purposes.

The following week, on Thursday the 13th, our namesake Adrienne Behrmann is returning to host a round of trivia for the entire faculty. This will be held on campus in TALI401 from 7 to 9. Refreshments and snacks will be served and prizes will be given out.

Hope to see you at both events,

The AB triple P

Hello all,

As you may be aware, our namesake at the AB triple P, Adrienne, ran an outing to a baseball game every spring, a tradition which we will continue. This year's game is on Saturday, May 6<sup>th</sup> at 6:40 PM against the Mariners hated division rival and current world series champion Houston Astros. Trashcans are not mandatory but encouraged. The price per ticket is \$20 and significant others/children/family members are welcome. Let me know by Monday if you would like to attend. You do not need to pay me by Monday but I need a head count for the number of tickets. Hope to see you there.

Hello all,

We here at the AB triple P recognize it has been far too long since we planned a happy hour. With the start of the Spring Trimester and the absolutely beautiful forecast for Friday, it seems time we did something. So you are cordially invited to Chainline Station after school on Friday. Please note this is

not Chainline location in downtown Kirkland but the new boxcar location by Google campus on the Cross Kirkland corridor. The address is 604 5th Pl S, Kirkland.

Second, the baseball game on May 6<sup>th</sup> will soon be upon us and so we come to the point of payment. The tickets are ten dollars each and you can either venmo me @John-Kaminsky-2 or pay in cash. Tickets are still available for the game, so let me know if you still wish to attend.

Hope to see you all there,

The AB triple P

Hello all,

With the start of the school year, it is time for the ABPPP to get back to planning. For all you new people, this is our unofficial faculty party planning committee. We have a couple of upcoming events for you all.

First of all, we have worked hard this past week and students show up on Wednesday. It seems like a perfect time to celebrate surviving a day of students and relax so please join us at Bellevue Brewing Co. after school Wednesday.

Second, who is interested in seeing the OL Reign play? If the answer is yes, then there will be a group outing to Lumen Field to see them play. The game is Sunday, Oct. 1<sup>st</sup> at 5PM. Tickets are \$22 each and significant others/kids/other family are welcome. Please let me know by Monday if you want to attend and how many tickets you want. Payment will be arranged at a later date.

Enjoy the start of school everyone and be on the lookout for more events throughout the year.

Sincerely,

The AB triple P

Hello all,

As most of you are aware, we have had an outing to a Mariners game each spring for the last couple of years. This year, the game will be Saturday, May 11<sup>th</sup> versus Oakland. I know this email is coming to you really early but if we can lock in some people now, we could potentially enjoy a discount on tickets when it comes time to pay. Please let me know if you are interested in attending the game. No set price yet but I have been told tickets should be under \$25 per person without the discount. Again, this is open to spouses/significant others/children/whomever. Also, English discipline please don't yell at me if I got whom wrong there. My mathematical and grammatical skills are inversely proportional.

Hope to see you there,

AB triple P
